The 2020 Cabernet Sauvignon Star Lane Vineyard (78% Cabernet Sauvignon, 12% Cabernet Franc, and 5% each Petit Verdot and Merlot) sports a vivid purple hue as well as utterly classic aromatics of ripe currants, black cherries, lead pencil, black olive, and sappy, herbal, floral nuances. With nicely integrated oak, medium to full body, ripe, polished tannins, and a great finish, this is another sensational Bordeaux blend from this estate that readers will love.

The 2020 Cabernet Sauvignon Star Lane Vineyard is fabulous. It benefits from the warmer growing season, which fills out the mid-palate and softens the edges just a touch. Dark red/purplish fruit, cedar, leather, tobacco and incense fill out the layers. This dense, explosive Cabernet is absolutely stunning. It is also an insane value in today's world.

Star Lane is one of the hidden gems in California. Winemaker Tyler Thomas crafts structured wines that marry elements of Bordeaux and old-school California. Readers should expect bold, savory Cabernets with dense, dark fruit and tons of pure power. Best of all, these wines remain exceptionally fairly priced.
